- (b) The number of Trustees may be fixed within the limits provided by section 2.1(a), from time to time:
 - (i) by the holders of Trust Units entitled to vote thereon (in which circumstances, in the case of an increase, the holders of Trust Units entitled to vote thereon shall have the right to appoint additional Trustees (up to the maximum)), or

- (d) Any Trustees appointed pursuant to section 2.1(b) shall serve as Trustees until the next annual meeting of holders of Trust Units entitled to vote at such meeting.

Not more than 49% of the total number of Trustees or of any committee of Trustees may be directors, employees or otherwise affiliated or associated with the Administrator or its affiliates; provided however, that if at any time the percentage of all Trustees who are so affiliated with the Administrator or its affiliates becomes more than 49% of the Trustees because of the death, resignation, bankruptcy, adjudicated incompetence, removal or change of affiliation of any Trustee who was not so affiliated, this requirement shall not be applicable for a period of 60 days, during which the Trustees shall appoint a sufficient number of Trustees to comply with the requirement and without requiring the prior approval of the holders of Trust Units entitled to vote thereon.

2.5 *Resignation, Removal and Death of Trustees*

A Trustee may resign at any time by an instrument in writing signed by him or her and delivered or mailed to the Chief Executive Officer or other senior officer of the Trust. Such resignation shall take effect on the date such notice is given or at any later time specified in the notice. A Trustee may be removed at any time with or without cause when approved by a majority of the votes cast at a meeting of the holders of Trust Units entitled to vote thereon or by the written consent of Trust Unitholders holding two-thirds of the outstanding Trust Units entitled to vote thereon or with cause by the resolution of two-thirds of the remaining Trustees. Upon the resignation or removal of any Trustee, or his or her otherwise ceasing to be a Trustee, he or she shall: (i) cease to have the rights, privileges and powers of a Trustee hereunder; (ii) execute and deliver such documents as the remaining Trustees shall require for the conveyance of any Trust property held in his or her name; and (iii) account to the remaining Trustees as they may require for all property which he or she holds as Trustee, and upon compliance with the foregoing he or she shall thereupon be discharged as Trustee. Upon the incapacity or death of any Trustee, his or her legal representative shall execute and deliver on his or her behalf such documents as the remaining Trustees may require as provided in this section.

2.6 *Vacancies*

The term of office of a Trustee shall terminate and a vacancy shall occur in the event of the death, removal, resignation, bankruptcy, adjudicated incompetence or other incapacity to exercise the duties of the office of a Trustee. No such vacancy shall operate to annul this Declaration of Trust or affect the continuity of the Trust. Until vacancies are filled, the remaining Trustees (even if less than a quorum) may exercise the powers of the Trustees hereunder. In the case of a vacancy, the holders of Trust Units entitled to vote thereon or a majority of the Trustees continuing in office may fill such vacancy. Any Trustee so elected by the Trustees shall hold office until the next annual meeting of holders of Trust Units entitled to vote at such meeting.

2.7 *Successor and Additional Trustees*

The right, title and interest of the Trustees in and to the property of the Trust shall vest automatically in all persons who may hereafter become Trustees upon their due election or appointment and qualification without any further act and they shall thereupon have all the rights, privileges, powers, obligations and immunities of Trustees hereunder. Such right, title and interest shall vest in the Trustees whether or not conveyancing documents have been executed and delivered pursuant to section 2.5 or otherwise.

2.8 *Compensation and Other Remuneration*

Trustees shall be entitled to receive such reasonable compensation for their services as trustees as the Trustees may determine from time to time. Such Trustees, either directly or indirectly, shall also be entitled to receive remuneration for services rendered to the Trust in any other capacity. Such services may include, without limitation, services as an officer of the Trust, legal, accounting or other professional services, or services as a broker, agent or underwriter, whether performed by a Trustee or any person affiliated with such Trustee.

2.9 *Officers of the Trust*

The Trust shall have such officers as the Trustees may appoint from time to time which without limitation may include a Chief Executive Officer, President, Vice-President, Secretary, Chief Financial Officer, Chief Administrative Officer, Chief Operating Officer and a Chair and such other officers as the Trustees may appoint from time to time. One person may hold two or more offices. An officer may, but need not, be a Trustee or a person who is a director, employee or is otherwise affiliated with the Administrator or its affiliates or associates. Officers of the Trust shall be appointed and discharged by the Independent Trustees.

2.10 *Conflict of Interest Restrictions and Provisions*

Each Trustee or officer of the Trust must disclose to the Trust any interest in a material contract or transaction or proposed material contract or transaction with the Trust (including a contract or transaction involving the making or disposition of any investment in Real Property or a joint venture arrangement) or the fact that such person is a director or officer of or otherwise has a material interest in any person who is a party to a material contract or transaction or proposed material contract or transaction with the Trust. Such disclosure is required to be made in writing at the first meeting at which a proposed material contract or transaction is considered. If a material contract or transaction or proposed material contract or transaction is one that in the ordinary course would not require approval by the Trustees, such Trustee or officer of the Trust shall disclose in writing to the Trust or request to have entered into the minutes of meetings of Trustees the nature and extent of his interest forthwith after the Trustee becomes aware of the contract or transaction or proposed contract or transaction. In any case, a Trustee who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction is one for indemnity under the provisions of this Declaration of Trust or liability insurance.

In addition to the above general provisions, the following matters require the approval of a majority of the Independent Trustees to become effective:

- an acquisition of a property or investment in a property in which the Administrator, if any, or any of its affiliates or associates has any direct or indirect interest,
- a material change to the agreement with the Administrator, if any, or its affiliates or any renewal, extension or termination thereof or any increase in the fees payable thereunder,
- the grant of options or other securities based compensation under any equity incentive plan of the Trust,
- the enforcement of any agreement entered into by the Trust with a non-Independent Trustee or an associate thereof or with the Administrator, if any, or an affiliate or associate thereof, and
- the making of any co-investment with the Administrator, if any, or its affiliates, directly or indirectly.

3.1 *General Powers*

The Trustees, subject only to the specific limitations contained in this Declaration of Trust, shall have without further or other authorization and free from any power or control on the part of the Trust Unitholders, full, absolute and exclusive power, control and authority over the assets of the Trust and over the business and affairs of the Trust, to the same extent as if the Trustees were the sole owners thereof in their own right, to do all such acts and things as in their sole judgment and discretion are necessary or incidental to or desirable for the carrying out of any of the purposes of the Trust or the conducting of the business of the Trust. In construing the provisions of this Declaration of Trust, there shall be a presumption in favour of the granted powers and authority of the Trustees. The enumeration of any specific power or authority herein shall not be construed as limiting the general powers or authority or any other specified power or authority conferred herein on the Trustees. The Trustees, in carrying out investment activities, shall not be in any way restricted by the provisions of the laws of any jurisdiction limiting or purporting to limit investments that may be made by trustees except as specifically required by such laws.

3.2 *Specific Powers and Authorities*

Subject only to the express limitations contained in this Declaration of Trust and in addition to any powers and authorities conferred by this Declaration of Trust or which the Trustees may have by virtue of any present or future statute or rule of law, the Trustees, without any action or consent by the holders of Trust Units entitled to vote thereon, shall have and may exercise at any time and from time to time the following powers and authorities, which may be exercised by them in their sole judgment and discretion and in such manner and upon such terms and conditions as they may from time to time deem proper:

- 3.2.1 to retain, invest and re-invest the capital or other funds of the Trust in Real Property or personal property in accordance with the policies and restrictions set forth in section 4.1 herein and to possess and exercise all the rights, powers and privileges appertaining to the ownership of the property of the Trust and to increase the capital of the Trust at any time by the issuance of additional Trust Units for such consideration as they deem appropriate;
- 3.2.1a to determine the rights, designation, privileges, restrictions and conditions attaching to each series of Preferred Units authorized for issuance by the Trust in accordance with section 5.3;
- 3.2.2 for such consideration as they may deem proper, to issue notes, debentures, bonds or other obligations of the Trust;
- 3.2.3 to sell, rent, lease, hire, exchange, release, partition, assign, mortgage, pledge, hypothecate, grant security interests in, encumber, negotiate, convey, transfer or otherwise dispose of any or all of the property of the Trust by deeds, trust deeds, assignments, bills of sale, transfers, leases, mortgages, financing statements, security agreements and other instruments for any of such purposes executed and delivered for and on behalf of the Trust or Trustees by one or more of the Trustees or by a duly authorized officer, employee, agent or any nominee of the Trust;
- 3.2.4 to enter into leases, contracts, obligations and other agreements for a term extending beyond the term of office of the Trustees and beyond the possible termination of the Trust or for a lesser term;
- 3.2.5 to borrow money and give negotiable or non-negotiable instruments therefor; to guarantee, indemnify or act as surety with respect to payment or performance of obligations of third parties; to enter into other obligations on behalf of the Trust; and to assign, convey, transfer, mortgage, subordinate, pledge, grant security interests in, encumber or hypothecate the property of the Trust to secure any of the foregoing;

- 3.2.6 to lend money, whether secured or unsecured;
- 3.2.7 to incur and pay out of the property of the Trust any charges or expenses, and disburse any funds of the Trust, which charges, expenses or disbursements are, in the opinion of the Trustees, necessary or incidental to or desirable for the carrying out of the purposes of the Trust or conducting the business of the Trust, including without limitation, taxes or other governmental levies, charges and assessments, of whatever kind or nature, imposed upon or against the Trustees in connection with the Trust or the property of the Trust or upon or against the property of the Trust or any part thereof and for any of the purposes herein;
- 3.2.8 to deposit funds of the Trust in banks, trust companies and other depositories, whether or not such deposits will draw interest, the same to be subject to withdrawal on such terms and in such manner and by such person or persons (including any one or more Trustees, officers, agents or representatives) as the Trustees may determine;
- 3.2.9 to possess and exercise all the rights, powers and privileges appertaining to the ownership of all or any mortgages, securities or interests forming part of the assets of the Trust, to the same extent that an individual might, and, without limiting the generality of the foregoing, to vote or give any consent, request or notice, or waive any notice, either in person or by proxy or power of attorney, with or without power of substitution, to one or more persons, which proxies and powers of attorney may be for meetings or actions generally or for any particular meeting or action, and may include the exercise of discretionary power;
- 3.2.10 subject to section 2.9, to elect, appoint, engage or employ officers for the Trust, who may be removed or discharged at the discretion of the Trustees, such officers to have such powers and duties, and to serve such terms, as may be prescribed by the Trustees; to engage or employ any persons as agents, representatives, employees or independent contractors (including without limitation, real estate advisors, investment advisors, registrars and transfer agents, underwriters, accountants, lawyers, real estate agents, property managers, appraisers, brokers, architects, engineers, construction managers, general contractors or otherwise) in one or more capacities, and to pay compensation from the Trust for services in as many capacities as such persons may be so engaged or employed; and, except as prohibited by law, to delegate any of the powers and duties of the Trustees to any one or more Trustees, agents, representatives, officers, employees, independent contractors or other persons;
- 3.2.11 to collect, sue for and receive all sums of money coming due to the Trust and to engage in, intervene in, prosecute, join, defend, compromise, abandon or adjust, by arbitration or otherwise, any actions, suits, proceedings, disputes, claims, demands or other litigation relating to the Trust, to enter into agreements therefor, whether or not any suit is commenced or claim accrued or asserted and, in advance of any controversy, to enter into agreements regarding the arbitration, adjudication or settlement thereof;
- 3.2.12 to renew, modify, release, compromise, extend, consolidate or cancel, in whole or in part, any obligation to or of the Trust;
- 3.2.13 to purchase and pay for out of the assets of the Trust insurance contracts and policies insuring the assets of the Trust against any and all risks and insuring the Trust and/or any or all of the Trustees, the Trust Unitholders or officers against any and all claims and liabilities of any nature alleged to have been taken or omitted by the Trust or by the Trustees, Trust Unitholders or officers;
- 3.2.14 to cause legal title to any of the assets of the Trust to be held by or in the name of the Trustees or, except as prohibited by law, by or in the name of the Trust or one or more of the Trustees or any other person, including a bare trustee, on such terms, in such manner, with such powers in such person as the Trustees may determine and with or without disclosure that the Trust or Trustees are interested therein; and

3.2.15 to do all such other acts and things incidental to the foregoing and to exercise all powers necessary or useful to carry on the business of the Trust, to promote any of the purposes for which the Trust is formed and to carry out the provisions of this Declaration of Trust.

3.3 *Operational Policies*

The Trustees shall operate the business and affairs of the Trust and shall cause the Administrator, if any, to operate the business and affairs of the Trust, in accordance with, and not contrary to, the following operating policies (unless otherwise agreed to by the Independent Trustees):

- 3.3.1 any written instrument creating an obligation which is or includes the granting by the Trust of a mortgage, or to the extent the Trustees determine to be practicable and consistent with their fiduciary duty to act in the best interests of the Trust Unitholders, any written instrument which in the judgment of the Trustees is a material obligation, shall to the extent commercially reasonable, in each case, contain a provision or be subject to an acknowledgement to the effect that the obligation being created is not personally binding upon and that resort will not be had to, nor will recourse or satisfaction be sought from, the private property of any of the Trustees, Trust Unitholders, annuitants under a plan of which a Trust Unitholder acts as a trustee or carrier, or officers, employees or agents of the Trust, but that only property of the Trust or a specific portion thereof will be bound; the Trust however, is not required, subject to having, in the opinion of the Trustees, used all reasonable efforts to comply with this requirement, to comply in respect of obligations assumed by the Trust upon the acquisition of Real Property;
- 3.3.2 in addition to the provisions of paragraph 4.1.10 below, the Trust may engage in construction or development of Real Property;
- 3.3.3 title to each Real Property must be held by and registered in the name of the Trust, the Trustees, a trustee for the Trust or in the name of a corporation or other entity wholly-owned, directly or indirectly, by the Trust or, directly or indirectly, by the Trust together with joint venturers;
- 3.3.4 the Trust will not directly or indirectly guarantee any indebtedness or liabilities of any person unless such guarantee (i) is given in connection with or incidental to an investment that is otherwise permitted pursuant to this Declaration of Trust, and (ii) has been approved by a majority of the Independent Trustees. In addition, the Trust will not directly or indirectly guarantee any indebtedness or liabilities of any person if doing so would disqualify the Trust as a "mutual fund trust" within the meaning of the Tax Act;
- 3.3.5 the Trust will obtain an independent appraisal, or otherwise satisfy itself of the value of each property that it intends to acquire;
- 3.3.6 the Trust will obtain and maintain at all times insurance coverage in respect of potential liabilities of the Trust and the accidental loss of value of the assets of the Trust from risks, in amounts, with such insurers, and on such terms as the Trustees consider appropriate, taking into account all relevant factors including the practices of owners of comparable properties;
- 3.3.7 the Trust will obtain or review such environmental audits of each Real Property to be acquired by it as is considered prudent by the Trustees. All new leases granted by the Trust must contain appropriate covenants from the lessee respecting environmental matters as determined by the Trustees from time to time; and
- 3.3.8 the Trust will not incur or assume any indebtedness if, after the incurring or assuming of the indebtedness, the total indebtedness of the Trust would be more than 70% of the Gross Book Value. For the purposes of this subsection, the term "indebtedness" means any obligation of the Trust for borrowed money, provided that (a) an obligation will only constitute indebtedness to the extent that it would appear as a liability on the consolidated balance sheet of the Trust in

accordance with IFRS, (b) indebtedness excludes trade accounts payable, distributions payable to Trust Unitholders, accrued liabilities arising in the ordinary course of business; (c) convertible debentures shall be deemed not to constitute indebtedness; and (d) indebtedness excludes the Redemption Amount of Preferred Units that have been called for redemption if the Preferred Units were accounted for as equity instruments in accordance with IFRS prior to being called for redemption.

For the purpose of the foregoing policies, the assets, liabilities and transactions of a corporation or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate consolidated basis. In addition, any references in the foregoing to investment in Real Property will be deemed to include an investment in a joint venture arrangement.

3.4 *Further Powers of the Trustees*

The Trustees shall have the power to prescribe any form provided for or contemplated by this Declaration of Trust. The Trustees may make, adopt, amend or repeal regulations containing provisions relating to the business of the Trust, the conduct of its affairs, their rights or powers and the rights or powers of its Trust Unitholders or officers not inconsistent with law or with this Declaration of Trust. The Trustees shall also be entitled to make any reasonable decisions, designations or determinations not contrary to this Declaration of Trust which they may determine to be necessary or desirable in interpreting, applying or administering this Declaration of Trust or in administering, managing or operating the Trust. Any regulations, decisions, designations or determinations made pursuant to this section shall be conclusive and binding upon all persons affected thereby.

3.5 *Standard of Care*

The Trustees shall exercise their powers hereunder and carry out their functions as Trustees honestly, in good faith and in the best interests of the Trust and the Trust Unitholders and in connection therewith shall exercise that degree of care, diligence and skill that a reasonably prudent person of their experience would exercise in comparable circumstances. Unless otherwise required by law, no Trustee shall be required to give any bond, surety or security in any jurisdiction for the performance of any duties or obligations hereunder. The Trustees in their capacities as Trustees shall not be required to devote their entire time to the business and affairs of the Trust.

3.6 *Decisions of Trustees Final, Binding and Conclusive*

All determinations of the Trustees which are made in good faith with respect to any matters relating to the Trust, including, without limiting the generality of the foregoing, whether any particular investment or disposition meets the requirements of this Declaration of Trust, shall be final and conclusive and shall be binding upon the Trust and all Trust Unitholders (and, where the Trust Unitholder is a Registered Plan, or such other fund or plan registered under the Tax Act, upon plan beneficiaries and plan holders past, present and future) and Trust Units of the Trust shall be issued and sold on the condition and understanding that any and all such determinations shall be binding as aforesaid.

ARTICLE IV ASSETS OF THE TRUST

4.1 *Permitted Investments*

Notwithstanding anything herein contained to the contrary, the assets of the Trust may be invested only in accordance with the following guidelines (unless approved by a majority of the Trustees, including a majority of the Independent Trustees, provided that the Trustees shall not in any circumstances be permitted to approve or make any investment that would result in any of the prohibited events set forth in paragraph 4.1.2 from occurring):

- 4.1.1 the Trust may invest in interests (including fee ownership and leasehold interests) in Real Property primarily in Canada and the United States;
- 4.1.2 the Trust will not make any investment, take any action or omit to take any action that would disqualify the Trust as a “mutual fund trust” within the meaning of the Tax Act or that would result in Units being disqualified for investment by Registered Plans;
- 4.1.3 the Trust may invest in a joint venture arrangement only if:
 - 4.1.3.1 the arrangement is one pursuant to which the Trust holds an interest in Real Property jointly or in common with others (“joint venturers”) either directly or through the ownership of securities of a corporation or other entity (a “joint venture entity”) as co-owners and not as partners;
 - 4.1.3.2 the Trust’s interest in the joint venture arrangement is not subject to any restriction on transfer other than a right of first offer or right of first refusal, if any, in favour of the joint venturers;
 - 4.1.3.3 the Trust has a right of first offer or right of first refusal to buy the interests of the other joint venturers; and
 - 4.1.3.4 the joint venture arrangement provides an appropriate buy-sell mechanism to enable a joint venturer to purchase the other joint venturers’ interests or to sell its interest;

provided that, notwithstanding the foregoing, the Trust may from time to time enter into any joint venture arrangement which does not comply with any of subparagraphs 4.1.3.2 through 4.1.3.4 above if the Trustees determine that the investment is desirable for the Trust and is otherwise in compliance with the investment restrictions, the investment guidelines and the operating policies established in accordance with the Declaration of Trust and in effect at such time;

- 4.1.4 the Trust will not purchase, sell, market or trade in currency or interest rate futures contracts otherwise than for hedging purposes where, for the purposes hereof, the term “hedging” will have the meaning ascribed thereto by National Instrument 81-102 adopted by the Canadian Securities Administrators, as amended from time to time;
- 4.1.5 except for temporary investments held in cash, deposits with a Canadian chartered bank or trust company registered under the laws of a province or of Canada, short-term government debt securities, or in money market instruments of, or guaranteed by, a Schedule 1 Canadian chartered bank maturing within one year from the date of issue, the Trust may not hold securities other than securities within the definition of Real Property, securities of a joint venture entity or an entity or corporation wholly-owned by the Trust formed and operated for the purpose of holding a particular Real Property or real properties or for any other purpose relating to the activities of the Trust, and provided further that, notwithstanding anything contained in this Declaration of Trust to the contrary, the Trust may acquire securities of other real estate investment trusts;
- 4.1.6 the Trust will not invest in rights to or interests in mineral or other natural resources, including oil or gas, except as incidental to an investment in Real Property;
- 4.1.7 the Trust will not invest in operating businesses unless such investment is incidental to a transaction (i) where revenue will be derived, directly or indirectly, principally from Real Property, or (ii) which principally involves the ownership, maintenance, improvement, development, leasing or management, directly or indirectly, of Real Property (in each case as determined by the Trustees);

- 4.1.8 the Trust shall not acquire interests in general partnerships or limited partnerships provided that the Trust may invest in a general partnership or limited partnership if:
- 4.1.8.1 the general partnership or limited partnership is formed and operated solely for the purpose of acquiring, owning, maintaining, improving, developing, leasing or managing a particular Real Property or Real Properties or an interest therein.
 - 4.1.8.2 the Trust's interest in the limited partnership is not subject to any restriction on transfer other than a right of first offer or right of first refusal, if any, in favour of any other partner or any affiliate thereof;
 - 4.1.8.3 the Trust has a right of first offer or right of first refusal to buy the interests of the other partners; and
 - 4.1.8.4 the Trust has received a legal opinion to the effect that the investment would not disqualify the Trust as a "mutual fund trust" within the meaning of the Tax Act,

provided that, notwithstanding the foregoing, the Trust may from time to time enter into any limited partnership arrangement which does not comply with any of the subparagraphs 4.1.8.2 or 4.1.8.3 above if the Trustees determine that the investment is desirable for the Trust and otherwise complies with sections 4.1.1 and 4.1.2;

- 4.1.9 the Trust may invest in raw land for development or other development projects for the purpose of renovating, expanding or developing existing and new facilities. Without limiting the generality of subsection 4.1.4 and notwithstanding the provisions of subsections 4.1.10 and 4.1.11 below, the Trust may invest in mortgages (including participating or convertible mortgages): (A) granted by an entity directly or indirectly wholly owned by the Trust or by the Trust with a joint venturer; (B) granted by a joint venturer; or (C) secured against the Real Property underlying any development project and may continue to hold such mortgages following completion of the project;
- 4.1.10 notwithstanding the provisions of subsection 4.1.9 above and 4.1.11 below, the Trust may invest in mortgages and mortgage bonds (including, with the consent of a majority of the Trustees, a participating or convertible mortgage) where: (i) the security therefor is Real Property which otherwise meets the general investment guidelines of the Trust adopted by the Trustees from time to time in accordance with the Declaration of Trust and the restrictions set out herein; and (ii) the mortgage is registered on title to the Real Property which is security therefor;
- 4.1.11 notwithstanding subsections 4.1.9 and 4.1.10 above, the Trust may invest in mortgages if the Trust intends to use the acquisition of the mortgages as a method of acquiring control of Real Property which would otherwise meet the investment guidelines of the Trust.

For the purpose of the foregoing guidelines (other than subsection 4.1.2), the assets, liabilities and transactions of a corporation or other entity wholly or partially owned by the Trust will be deemed to be those of the Trust on a proportionate consolidation basis. In addition, any references in the foregoing to investments in Real Property will be deemed to include an investment in a joint venture arrangement.

If at any time a regulatory authority having jurisdiction over the Trust or any property of the Trust shall enact any law, regulation or requirement which is in conflict with any investment restriction of the Trust then in force, such restriction in conflict shall, if the Trustees on the advice of legal counsel to the Trust so resolve, be deemed to have been amended to the extent necessary to resolve any such conflict, and, notwithstanding anything to the contrary contained herein, any such resolution of the Trustees shall not require the prior approval of Trust Unitholders.

ARTICLE V TRUST UNITS

5.1 *Units*

The beneficial interests in the Trust shall be divided into and represented by units of two classes, described and designated as “Units” and “Preferred Units”, which shall be entitled to the rights and subject to the limitations, restrictions and conditions set out herein, and the interest of each Unitholder and Preferred Unitholder shall be determined by the number of Units and/or Preferred Units registered in the name of the Unitholder or Preferred Unitholder respectively.

5.2 *Rights Attaching to Units*

The Trust may issue an unlimited number of Units. Each Unit represents an equal undivided interest in the Trust and shall carry the same rights and restrictions, as follows:

5.2.1 Voting. The right to one vote;

5.2.2 Distributions. The right to participate in distributions in accordance with the provisions of Article IX hereof; and

5.2.3 Winding-up. The right to participate in distributions of the net assets of the Trust upon the termination or winding-up thereof in accordance with the provision of Article XII hereof.

All Units shall rank among themselves equally and rateably without discrimination, preference or priority.

5.3 *Rights Attaching to Preferred Units*

The Trust may issue an unlimited number of Preferred Units. The Preferred Units may be issued in one or more series and the terms of a particular series of Preferred Units shall be set out in a “Certificate of Preferred Unit Terms” which certificate shall be approved by the Trustees prior to the issue of such Preferred Units and, upon such approval, the certificate shall become a part of this Declaration of Trust. The Certificate of Preferred Unit Terms in respect of the following series of Preferred Units approved by the Trustees prior to the date of this Declaration of Trust form part of this Declaration of Trust: (i) Preferred Units, Series A and Preferred Units, Series B, each effective August 2, 2012; (ii) Preferred Units, Series C and Preferred Units, Series D, each effective September 18, 2012; (iii) Preferred Units, Series E and Preferred Units, Series F, each effective March 21, 2013; and (iv) Preferred Units, Series G and Preferred Units, Series H, each effective July 29, 2013. Without limiting the generality thereof, the Certificate of Preferred Unit Terms shall set out in respect of the particular series of Preferred Units:

- the Preferred Unit Subscription Price,
- the Preferred Unit Rate of Return,
- whether the distributions are cumulative or non-cumulative,
- whether or not the Preferred Units will become entitled to vote in the event that Preferred Distributions are not paid for a specified number of Preferred Distribution Periods and, if so, the specified number of Preferred Distribution Periods and under what circumstances such voting rights shall cease,
- whether the series of Preferred Unit ranks in priority or junior to any one or more other series of Preferred Units and, if so, the manner in which distributions to be made among

the series of Preferred Units if the available funds are insufficient to pay all Preferred Distributions or all Liquidation Entitlements,

- whether the Preferred Units will be convertible or reclassifiable and, if so, the Preferred Unit Conversion Ratio in respect of each series of Preferred Units issued, whether the Preferred Units will be redeemable and, if so, the timing of such redemptions and the Redemption Amount, and
- any other provisions not inconsistent with the terms of this Declaration of Trust or the terms of any then existing Certificates of Preferred Unit Terms.

In all other respects, each Preferred Unit represents an equal undivided interest in the Trust and shall carry the same rights and restrictions, as follows:

- 5.3.1 Voting. The right to vote only in the manner and the circumstances set forth in Article VI hereof, unless the Certificate of Preferred Unit Terms specifies that the Preferred Units will become entitled to vote in the event that Preferred Distributions are not paid for a specified number of Preferred Distribution Periods, and all Preferred Distributions have not been paid for such number of Preferred Distribution Periods (in which case the voting rights of the holders of Preferred Units shall be as set out in the Certificate of Preferred Unit Terms);
- 5.3.2 Distributions. The right to receive distributions in accordance with the provisions of Article IX hereof;
- 5.3.3 Conversion. If determined by the Trustees in the Certificate of Preferred Unit Terms for the reservation and issuance of the Preferred Units of a particular series that such Preferred Units shall be convertible or reclassifiable, the right to convert or reclassify each such Preferred Unit into that number of Units as the Trustees may determine in such Certificate of Preferred Unit Terms (such number in respect of each series of Preferred Units, the "Preferred Unit Conversion Ratio") in accordance with and subject to the terms and conditions in the Certificate of Preferred Unit Terms;
- 5.3.4 Winding-up. The right to participate in distributions of the net assets of the Trust upon the termination or winding-up thereof in accordance with the provisions of Article XII hereof;
- 5.3.5 Redemption. If determined by the Trustees in the Certificate of Preferred Unit Terms for the reservation and issuance of the Preferred Units of a particular series that such Preferred Units shall be redeemable, the Trust may redeem and cancel all or any part of the Preferred Units of any Preferred Unitholder at the times and for such amount per Preferred Unit (the "Redemption Amount") as are set out in the Certificate of Preferred Unit Terms.

5.4 *References to Series*

Where the Preferred Units have been issued in two or more series, any reference to the Preferred Units in this Declaration of Trust shall be read as a reference to a series of Preferred Units.

5.5 *Interests in the Income of the Trust*

Notwithstanding anything else herein contained, except as otherwise provided in the terms of a particular series of Preferred Units as fixed by the Trustees in accordance with subsection 5.3 above, neither the Units nor any series of Preferred Units shall have or be deemed to have any term, condition, right or other attribute which would provide any holder of Units or Preferred Units of any series with an interest in the income of the Trust as a percentage of any distribution received by that Trust Unitholder that is greater or lesser than an interest in the income of the Trust as a percentage of any distribution received by the holder of any other Units or Preferred Units of any series.

5.6 *Units and Preferred Units Non-Assessable*

No Trust Units shall be issued other than as fully paid and non-assessable.

5.7 *No Pre-emptive Rights*

There are no pre-emptive rights attaching to the Trust Units.

5.8 *Fractional Units and Preferred Units*

Certificates for fractional Units or Preferred Units will not be issued and fractional Units and Preferred Units do not entitle the holder thereof to receive notice of, to attend at or to vote at, a meeting of Trust Unitholders or a meeting of Preferred Unitholders in the event that the Trust is required to hold a meeting of Preferred Unitholders. Subject to the foregoing, such fractional Units and Preferred Units shall have attached thereto the rights, restrictions, conditions and limitations attaching to whole Units or Preferred Units, as the case may be, in the proportion that they bear to a whole Unit of Preferred Unit, as the case may be.

5.9 *Legal Ownership of Assets of the Trust*

The legal ownership of the assets of the Trust and the right to conduct the affairs of the Trust are vested exclusively in the Trustees, subject to the provisions of this Declaration of Trust, and none of the Unitholders nor Preferred Unitholders shall have any interest therein other than the interest in the Trust conferred by their Units or Preferred Units issued hereunder as described herein. No Trust Unitholder has or is deemed to have any right of ownership in any of the assets of the Trust.

5.10 *Eligibility to be a Trust Unitholder*

At no time may Non-Residents be the beneficial owners of more than 49% of the Units or Preferred Units, on a basic or fully-diluted basis (and for greater certainty, including Units into which Exchangeable Securities may be converted or exchanged), and the Trust shall inform its transfer agent of this restriction. The Trustees may require a registered holder of Units or Preferred Units, as the case may be, to provide the Trustees with a declaration as to the jurisdictions in which beneficial owners of the Units or Preferred Units registered in such registered holder's name are resident and as to whether such beneficial owners are Non-Residents (or in the case of a partnership, whether the partnership is a Non-Resident). If the Trustees become aware, as a result of acquiring such declarations as to beneficial ownership or as a result of any other investigations, that the beneficial owners of more than 40% of the Units or Preferred Units, as the case may be, (on a basic or fully-diluted basis, including Units into which Exchangeable Securities may be converted or exchanged) are, or may be, Non-Residents or that such a situation is imminent, the Trustees may make a public announcement thereof and shall not accept a subscription for Units or Preferred Units, as the case may be, from or issue or register a transfer of Units or Preferred Units to a person unless the person provides a declaration in form and content satisfactory to the Trustees that the person is not a Non-Resident and does not hold such Units or Preferred Units, as the case may be, for the benefit of Non-Residents. If, notwithstanding the foregoing, the Trustees determine that more than 49% of the Units or Preferred Units, as the case may be, (on a basic or fully-diluted basis, including Units into which Exchangeable Securities may be converted or exchanged) are held by Non-Residents, the Trustees may send a notice to such Non-Resident holders of the Units, Preferred Units or Exchangeable Securities, as the case may be, chosen in inverse order to the order of acquisition or registration or in such other manner as the Trustees may consider equitable and practicable, requiring them to sell their Units, Preferred Units or Exchangeable Securities, as the case may be, or a portion thereof within a specified period of not more than 30 days. If the Unitholders or Preferred Unitholders receiving such notice have not sold the specified number of Units, Preferred Units or Exchangeable Securities, as the case may be, or provided the Trustees with satisfactory evidence that they are not Non-Residents within such period, the Trustees may on behalf of such Unitholders or Preferred Unitholders sell such Units, Preferred Units or Exchangeable Securities and, in the interim, shall suspend the voting and distribution rights attached to

such Units, Preferred Units or Exchangeable Securities (other than the right to receive the net proceeds from the sale). Upon such sale or conversion, the affected holders shall cease to be holders of the relevant Units, Preferred Units or Exchangeable Securities, as the case may be, and their rights shall be limited to receiving the net proceeds of sale upon surrender of the certificates, if any, representing such securities. The Trust may direct its transfer agent to do any of the foregoing.

No liability shall accrue to the Trust or the Trustees if the Units or Preferred Units of a Non-Resident Unitholder or Preferred Unitholder are sold at a loss to such Unitholder or Preferred Unitholder, as the case may be. Unless and until the Trustees shall have been required to do so under the terms hereof, the Trustees shall not be bound to do or take any proceedings or action with respect to this Section 5.10 by virtue of the powers conferred on them hereby. The Trustees shall use reasonable commercial efforts to actively monitor the ownership of Units or Preferred Units by Non-Residents. It is acknowledged that the Trustees cannot definitely monitor the ownership of Units or Preferred Units by Non-Residents if the Units or Preferred Units are registered in the name of an intermediary. The Trustees shall not be liable for any violation of the Non-Resident ownership restriction which may occur during the term of the Trust.

5.11 *Issuance of Trust Units*

The Trustees may allot and issue Trust Units at such time or times and in such manner (including pursuant to any plan from time to time in effect relating to reinvestment by Unitholders of their distributions of the Trust in Units), and for such consideration and to such person, persons or class of persons as the Trustees in their sole discretion shall determine. In the event that Trust Units are issued in whole or in part for a consideration other than money, the resolution of the Trustees allotting and issuing such Trust Units shall express the fair equivalent in money of the other consideration received.

5.12 *Rights, Warrants, Options, Convertible Debt and Other Securities*

The Trustees may create and issue convertible securities and rights, warrants or options to subscribe for fully paid Units (including Exchangeable Securities) or Preferred Units which securities, or rights, warrants or options may be convertible or exercisable, as the case may be, into Units or Preferred Units, as the case may be, at such prices and at such time or times as the Trustees may determine. The rights, warrants or options so created may be issued for such consideration or for no consideration, all as the Trustees may determine. A convertible security, or a right, warrant or option shall not be a Unit or Preferred Unit and a holder thereof shall not be a Unitholder or Preferred Unitholder. Upon the approval by the Trustees of any Unit option plan for trustees, officers and/or employees of the Trust or management company employees, the Trustees may grant options upon the terms and subject to the conditions set forth in such plan.

Subject to limitations on ownership set out in this Declaration of Trust, the Trust Units are freely transferable and the Trustees shall not impose any restriction on the transfer of Trust Units. The Trustees shall use all reasonable efforts to obtain and maintain a listing for the Trust Units on one or more stock exchanges in Canada. Exchangeable Securities shall be non-transferable without the consent of the Trust and shall not be listed on any exchange.

5.13 *Acceptance of Subscription and Allotment and Issuance of Trust Units*

The Trustees reserve the right to accept or reject subscriptions for Trust Units in whole or in part at their sole option and reserve the right to restrict the number of Trust Units that may be purchased by any subscriber. The decision to accept or reject a subscription shall be exercised promptly. Upon acceptance of a subscription, the Trustees shall allot and upon timely receipt of the purchase price thereof, issue to the subscriber the Trust Units subscribed for and shall pay the full purchase price received for such Trust Units into the Trust. Upon rejection of a subscription, the Trustees shall make a prompt refund to the subscriber of the purchase price submitted.

5.14 *Certificates*

Each Trust Unitholder or his duly authorized agent is entitled to a certificate bearing an identifying serial number in respect of the Trust Units held by him, signed in the manner hereinafter prescribed, but the Trust is not bound to issue more than one certificate in respect of a Trust Unit or Trust Units held jointly or in common by two or more persons and delivery of a certificate to one of them shall be sufficient delivery to all. No certificate shall be issued to evidence any fractional Trust Units.

5.15 *Unit Register to be Maintained*

The Trustees shall cause the establishment and maintenance of a register (the "Register") of the names, addresses and numbers of Units held by registered Unitholders and Preferred Units held by Preferred Unitholders. The Trustees shall for all purposes be entitled to treat the Unitholder or Preferred Unitholder in whose name any Units or Preferred Units are registered as the absolute owner thereof, any notice to the contrary notwithstanding. The Trustees shall not be charged with notice of or be bound to see to the execution of any trust in respect of any Unit or Preferred Unit whether express, implied or constructive and may deal with any Unit or Preferred Unit on the direction of the registered Unitholder or the registered Preferred Unitholder thereof, whether named as trustee or otherwise. Only Trust Unitholders whose Trust Units are recorded on the Register shall be entitled to vote (to the extent permitted pursuant to this Declaration of Trust) or to receive distributions or otherwise exercise or enjoy the rights of Trust Unitholders. The Trustees may delegate this obligation to an entity the business of which is the provision of registrar and transfer agency services.

5.16 *Purchase of Units and Preferred Units*

In addition to redemptions of Preferred Units pursuant to paragraph 5.3.5 hereof, and subject to any restrictions provided in any Certificate of Preferred Unit Terms, the Trust may from time to time purchase Units and/or Preferred Units in accordance with applicable securities legislation and the rules prescribed under applicable stock exchange or regulatory policies.

5.17 *Take-Over Bids*

If a take-over bid is made for Units or Preferred Units of any series within the meaning of *The Securities Act* (Manitoba) and not less than 90% of the Units or the Preferred Units of such series (other than Units or Preferred Units of the series held at the date of the take-over bid by or on behalf of the offeror or associates or affiliates of the offeror) are taken up and paid for by the offeror, the offeror will be entitled to acquire the Units or the Preferred Units of the series held by Unitholders or Preferred Unitholders of such series who did not accept the offer either, at the election of each such Unitholder or Preferred Unitholder, (a) on the terms offered by the offeror or (b) at the fair value of such Trust Unitholders' Units or Preferred Units of such series of Preferred Units.

5.18 *Transfer of Units*

Trust Units shall be, for all purposes of the Trust and this Declaration of Trust, personal and moveable property, and shall be transferable at any time and from time to time by the Trust Unitholder by endorsement and delivery of the certificates representing the Trust Units subject to such provisions and conditions as may be prescribed by the Trustees from time to time. No transfer shall be recorded on the Register unless the transferor has executed the instrument of transfer as reproduced in the Trust Unit certificate and the transferee has delivered to the transfer agent and/or register a Trust Unit certificate representing the Trust Units transferred. Subject to the foregoing, transfers shall be recorded on the Register and a new certificate for the Trust Units so transferred shall be issued to the transferee and in case of a transfer of only part of the Trust Units represented by any certificate, a new certificate for the remaining Trust Units shall be issued to the transferor.

Any person becoming entitled to any Trust Units as a consequence of the death, bankruptcy or incapacity of any Trust Unitholder or otherwise by operation of law shall be recorded in the Register as the holder of such Trust Units and shall receive a new certificate therefore upon production of evidence thereof satisfactory to the Trustees and delivery of the existing certificate to the Trustees or a transfer agent or registrar of the Trust, but until such record is made, the Trust Unitholder of record shall continue to be and be deemed to be the holder of such Trust Units for all purposes whether or not the Trust, the Trustees or the transfer agent or registrar of the Trust shall have actual or other notice of such death, bankruptcy, incapacity or other event.

None of the Trustees, officers of the Trust, Trust Unitholders or any transfer agent, registrar or other agent of the Trust or the Trustees shall have a duty to inquire into any claim that a transfer of a Trust Unit or other security of the Trust was or would be wrongful or that a particular adverse person is the owner of or has an interest in the Trust Unit or other security or any other adverse claim, or be bound to see to the performance of any trust, express, implied or of any charge, pledge or equity to which any of the Trust Units or other securities or any interest therein are or may be subject, or to ascertain or inquire whether any sale or transfer of any such Trust Units or other securities or interest therein by any such Trust Unitholder or holder of such security or his personal representatives is authorized by such trust, charge, pledge or equity, or to recognize any person as having any interest therein, except for the person recorded on the Register as the Trust Unitholder.

5.19 *Lost or Stolen Trust Units, Death of Trust Unitholder*

In the event that any certificate for Trust Units is lost, stolen, destroyed or mutilated, the Trustees may authorize the issuance of a new certificate for the same number of Trust Units in lieu thereof. The Trustees may in their discretion, before the issuance of such new certificate, require the owner of the lost, stolen, destroyed or mutilated certificate, or the legal representative of the owner, to make such affidavit or statutory declaration, setting forth such facts as to the loss, theft, destruction or mutilation as the Trustees deem necessary and may require the applicant to supply to the Trust a "lost certificate" or similar bond in such reasonable amount as the Trustees direct indemnifying the Trustees, the transfer agents and registrars for so doing. The Trustees shall have the power to acquire from an insurer or insurers a blanket lost security bond or bonds in respect of the replacement of lost, stolen, destroyed or mutilated certificates. The Trust shall pay all premiums and other sums of money payable for such purpose out of the property of the Trust with such contribution, if any, by those insured as may be determined by the Trustees. If such blanket lost security bond is acquired, the Trustees may authorize and direct (upon such terms and conditions as they from time to time impose) any registrar, transfer agent, trustee or others to whom the indemnity of such bond extends to take such action to replace such lost, stolen, destroyed or mutilated certificates without further action or approval by the Trustees.

The death of a Trust Unitholder during the continuance of the Trust shall not terminate the Trust or give the personal representatives or the heirs of the estate of the deceased Trust Unitholder a right to an accounting or to take any action in the courts or otherwise against other Trust Unitholders or the Trustees, officers of the Trust or the property of the Trust, but shall only entitle the personal representatives or the heirs of the estate or succession of the deceased Trust Unitholder to demand and receive a new certificate for Trust Units in place of the certificate held by the deceased Trust Unitholder, and upon the acceptance thereof such personal representatives or the heirs of the estate or succession of the deceased Trust Unitholder shall succeed to all rights of the deceased Trust Unitholder under this Declaration of Trust.

ARTICLE VI MEETINGS OF UNITHOLDERS

6.1 *Annual Meeting*

There shall be an annual meeting of the holders of Trust Units entitled to vote at such meeting at such time and place as the Trustees shall determine for the purpose of electing Trustees, appointing the auditor of the Trust and for the transaction of such other business as the Trustees may determine or as

may properly be brought before the meeting. The annual meeting shall be held within six months after the end of each fiscal year of the Trust.

6.2 *Other Meetings*

The Trustees shall have the power at any time to call special meetings of holders of Trust Units entitled to vote on matters to be brought before the meeting at such time and place as the Trustees may determine.

The holders of not less than five per cent (5%) of the Units may requisition the Trustees to call a meeting of Unitholders for the purposes stated in the requisition. The requisition, which may consist of several documents of like form each signed by one or more Unitholders, shall state the business to be transacted at the meeting and shall be sent to each Trustee and to the principal office of the Trust. On receiving the requisition, the Trustees shall call a meeting of Unitholders to transact the business stated in the requisition, unless

- (a) a record date for a meeting of Unitholders has been fixed and notice thereof has been given to each stock exchange in Canada on which the Units are listed for trading;
- (b) the Trustees have called a meeting of the Unitholders and have given notice thereof pursuant to Section 6.3;
- (c) in connection with the business as stated in the requisition:
 - (A) it clearly appears that the matter covered by the requisition is (1) submitted by the Unitholder primarily for the purpose of enforcing a personal claim or redressing a personal grievance against the Trust, the Trustees, the Unitholders or other securityholders of the Trust, or (2) does not relate in a significant way to the business or affairs of the Trust;
 - (B) the Trust, at the Unitholder's request, included a matter covered by a requisition in an information circular relating to a meeting of the Unitholders held within two years preceding the receipt of such request and the Unitholder failed to present the matter, in person or by proxy, at the meeting;
 - (C) substantially the same matter covered by the requisition was submitted to Unitholders in an information circular relating to a meeting of the Unitholders held within two years preceding the receipt of the Unitholder's request and the matter covered by the requisition was not approved at the meeting; or
 - (D) the rights conferred by this Section are being abused to secure publicity.
- (d) If the Trustees do not within twenty-one days after receiving the requisition call a meeting, any Unitholder who signed the requisition may call the meeting.
- (e) A meeting called under this Section shall be called as nearly as possible in the manner in which meetings are to be called pursuant to Article VI hereof.
- (f) Unless the Unitholders otherwise resolve at a meeting called in response to a requisition, the Trust shall reimburse the Unitholders the expenses reasonably incurred by them in requisitioning, calling and holding the meeting.

In the event that it is proposed to amend this Declaration of Trust in a manner that would require the approval of the Preferred Unitholders holding Preferred Units of a particular series, then the Trustees shall call a meeting of such Preferred Unitholders.

6.3 *Notice of Meeting of Trust Unitholders and Record Date*

Notice of the time and place of all meetings of Trust Unitholders and a management information circular prepared in accordance with applicable law shall be mailed or delivered by the Trustees to each Trust Unitholder entitled to vote at such meeting at his or her address appearing in the Register and to each Trustee and the auditor of the Trust in compliance with applicable securities laws. Notice of all meetings of Trust Unitholders shall be mailed or delivered by the Trustees to each applicable Trust Unitholder entitled to vote at a meeting of applicable Trust Unitholders at the address of the Trust Unitholder appearing in the register of the Trust not less than 21 days nor more than 60 days before the meeting.

If a meeting of Trust Unitholders is adjourned for less than thirty days it is not necessary to give notice of the adjourned meeting, other than by announcement at the earliest meeting that is adjourned. If a meeting of Trust Unitholders is adjourned by one or more adjournments for an aggregate of thirty days or more, notice of the adjourned meeting shall be given as for an original meeting.

Any notice in respect of a meeting shall state in reasonable detail the business proposed to be carried out at the meeting. All business to be conducted at a special meeting of Trust Unitholders and all business to be transacted at an annual meeting of Trust Unitholders entitled to vote at such meeting, except consideration of the financial statements, auditor's report, election of Trustees and re-appointment of the incumbent auditor, is deemed to be special business. Notice of a meeting of Trust Unitholders at which special business is to be transacted shall state (i) the nature of the business in sufficient detail to permit a Trust Unitholder to form a reasonable judgment thereon, and (ii) the text of any resolution (or summary thereof) that requires the approval of two-thirds of the votes of Trust Unitholders entitled to vote thereon to be submitted to the meeting.

For the purposes of determining the Trust Unitholders who are entitled to receive notice of and vote at any meeting or any adjournment thereof, the Trustees may from time to time fix a date not more than 60 days prior to the date of any meeting of Trust Unitholders as a record date for the determination of Trust Unitholders entitled to receive notice of and to vote at such meeting or any adjournment thereof and, except as otherwise determined from time to time by the Trustees, any Trust Unitholder who was a Trust Unitholder at the time so fixed shall be entitled to receive notice of and vote at such meeting and any adjournment thereof, even though such Trust Unitholder has, since that date, disposed of the applicable Trust Units and, except as otherwise determined by the Trustees, no Trust Unitholder becoming such after that record date shall be entitled to receive notice of and to vote at such meeting or any adjournment thereof.

6.4 *Quorum*

Two persons who are holders of Trust Units represented in person or by proxy and representing not less than 25% of the votes attaching to the issued and outstanding Trust Units entitled to vote at a meeting shall constitute a quorum for any such meeting of Trust Unitholders. If a quorum is not present at the opening of a meeting of Unitholders, the Unitholders present may adjourn the meeting to a fixed time and place but may not transact any other business.

6.5 *Voting*

Holders of whole Trust Units entitled to vote on any matter to be properly brought before a meeting of Trust Unitholders may attend and vote at such meeting, either in person or by proxy. Each whole Trust Unit entitled to vote on the matters to be properly brought before the meeting shall be entitled to one vote at such meeting. Whenever any action is to be taken by the Trust Unitholders (or the holders of any class or series of Trust Units), they shall, except as otherwise required by this Declaration of Trust or by law, be

authorized by a majority of votes cast at a meeting of Trust Unitholders by holders of Trust Units entitled to vote thereon.

6.6 *Matters on Which Trust Unitholders May Vote*

The Unitholders and the holders of those Preferred Units which then carry a right to vote shall be entitled to vote upon the following matters, upon such other matters as are set forth in this Declaration of Trust and upon such matters for which approval of holders of Trust Units entitled to vote is required pursuant to the requirements of any stock exchange upon which the Trust Units (or any class or series thereof) may trade from time to time:

- (a) the election or removal of Trustees (except as provided in section 2.1, section 2.3, section 2.5 and section 2.6);
- (b) the appointment or removal of auditors of the Trust (except as provided in section 15.3);
- (c) the approval of amendments to the Declaration of Trust (except as provided in section 11.1);
- (d) the reclassification of the Units;
- (e) the sale of the assets of the Trust as an entirety or substantially as an entirety, provided that, for greater certainty, the Trust shall be entitled to transfer all or a portion of its assets to an entity controlled by the Trust pursuant to an internal reorganization of the Trust and such transfer shall not require the approval of holders of Trust Units entitled to vote; and
- (f) the termination of the Trust.

Except with respect to the foregoing matters specified in this section, no vote of the Trust Unitholders shall bind the Trustees. However, nothing in this section shall prevent the Trustees from submitting to a vote of holders of Trust Units entitled to vote (or any class or series of Trust Units) any matter that they deem appropriate.

6.7 *Matters on which Preferred Unitholders May Vote*

In addition to the voting rights that may be specified in the Certificate of Preferred Units Terms to arise in the event of the failure of the Trust to pay Preferred Distributions for a specified number of Preferred Distribution Periods, the Preferred Unitholders shall, if they are not then otherwise carrying a voting right, be entitled to vote upon the matters set forth in section 11.4, and upon such matters for which Preferred Unitholder approval is required pursuant to the terms of any stock exchange upon which the Preferred Units may be listed from time to time.

6.8 *Proxies*

- 6.8.1 Whenever the vote or consent of Trust Unitholders (or any class or particular group of Trust Unitholders) is required or permitted under this Declaration of Trust, such vote or consent may be given either directly by such Trust Unitholders or to a proxy in such form as the Trustees may prescribe from time to time. The Trustees may solicit such proxies from the Trust Unitholders or any of them in any matter requiring or permitting the vote or consent of such Trust Unitholders.
- 6.8.2 The Trustees may specify, if they so determine, in the notice of meeting of Trust Unitholders (or any class or particular group of Trust Unitholders), that all proxies must be received by the Trust or an officer or agent of the Trust no later than 48 hours prior to the meeting or an adjournment thereof, excluding days other than business days, and that proxies not so received will not be valid.

6.8.3 A proxy is valid only at the meeting in respect of which it is given or any adjournment or postponement thereof.

6.8.4 A Trust Unitholder may revoke a proxy:

- (a) by depositing an instrument or act in writing executed by the Trust Unitholder or by the Trust Unitholder's personal representative authorized in writing: (A) at the principal office of the Trust at any time up to and including the last business day preceding the day of the meeting, or an adjournment or postponement thereof, at which the proxy is to be used; or (B) with the chair of the meeting on the day of the meeting or any adjournment or postponement thereof, or
- (b) in any other manner permitted by law.

6.9 *Nomination of Trustees*

6.9.1 Only persons who are nominated in accordance with the following procedures shall be eligible for election as Trustees. Nominations of persons for election to the board of Trustees may be made at any annual meeting of Trust Unitholders, or at any special meeting of Trust Unitholders, if one of the purposes of which the special meeting was called was the election of Trustees:

- (a) by or at the direction of the board of Trustees, including pursuant to a notice of meeting;
- (b) by or at the direction or request of one or more Unitholders pursuant to a requisition made in accordance with Section 6.2; or
- (c) by any person (a "Nominating Unitholder") who: (i) at the close of business on the date of the giving of the notice provided for below in this section 6.9 and on the record date of such meeting, is entered in the Register as a holder of one or more Trust Units carrying the right to vote at such meeting or who beneficially owns Trust Units that are entitled to be voted at such meeting; and (ii) complies with the notice procedures set forth below in this section 6.9.

6.9.2 In addition to any other applicable requirements, for a nomination to be made by a Nominating Unitholder, the Nominating Unitholder must have given timely notice thereof to the Trustees in the manner prescribed by this section 6.9. Furthermore, if such notice is made on a day which is not a business day or later than 5:00 p.m. (CT) on a day which is a business day, then such notice shall be deemed to have been made on the subsequent day that is a business day.

6.9.3 To be timely, a Nominating Unitholder's notice to the Trustees must be made:

- (a) in the case of an annual meeting of Trust Unitholders, not less than 30 days prior to the date of the annual meeting of Trust Unitholders; provided, however, that in the event that the annual meeting of Trust Unitholders is to be held on a date that is less than 50 days after the date (the "Notice Date") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Unitholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; or
- (b) in the case of a special meeting (which is also not an annual meeting) of Trust Unitholders called for the purpose of electing Trustees (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Trust Unitholders was made.

- 6.9.4 To be in proper written form, a Nominating Unitholder's notice to the Trustees must set forth:
- (a) as to each person whom the Nominating Unitholder proposes to nominate for election as a Trustee: (i) the name, age, business address and residential address of the person; (ii) the principal occupation or employment of the person; (iii) the class or series and number of Trust Units which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of Trust Unitholders (if such date shall then have been publicly available and shall have occurred) and as of the date of such notice; and (iv) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of Trustees pursuant to applicable securities laws; and
 - (b) as to the Nominating Unitholder giving the notice, any proxy, contract, arrangement, understanding or relationship pursuant to which such Nominating Unitholder has a right to vote any Trust Units and any other information relating to such Nominating Unitholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of Trustees pursuant to applicable securities laws.
- 6.9.5 The Trust may require any proposed nominee to furnish such other information as may be required under applicable securities laws or the rules of any stock exchange on which the Trust's securities are listed to determine the eligibility of such proposed nominee to serve as an Independent Trustee.
- 6.9.6 No person shall be eligible for election as a Trustee unless nominated in accordance with the provisions of this section 6.9; provided, however, that nothing in this section 6.9 shall be deemed to preclude discussion by a Trust Unitholder (as distinct from the nomination of Trustees) at a meeting of Trust Unitholders of any matter in respect of which it would have been entitled to submit to a vote pursuant to the terms and conditions contained in this Declaration of Trust. The chair of the applicable meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with the foregoing provisions, to declare that such defective nomination be disregarded.
- 6.9.7 For the purposes of this section 6.9, "public announcement" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Trust under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com.
- 6.9.8 Notwithstanding the foregoing, the Trustees may, in their sole discretion, waive any requirement in this section 6.9.
- 6.10 *Virtual Meetings*

Any meeting of holders of Trust Units entitled to vote may be held partially or entirely by means of a telephonic, electronic or other communication facility. A person who votes at the meeting or establishes a communication link to the meeting is deemed to be present in person at the meeting. Any such meeting shall be deemed to be held at the place where the head office of the Trust is located. The rules and procedures for any such meeting held by means of a telephonic, electronic or other communication facility shall be such reasonable rules and procedures as are determined by the Trustees and such rules and procedures shall be binding upon all parties participating in the meeting.

6.11 *Court Requisitioned Meetings*

A Unitholder or the Trustees may apply to the Court to order a meeting of the Unitholders to be called, held and conducted in the manner that the Court directs, if:

- (a) it is impracticable to call the meeting within the time or in the manner in which those meetings are to be called pursuant to this Declaration of Trust;
- (b) it is impracticable to conduct the meeting in the manner required by this Declaration of Trust; or
- (c) the Court thinks that the meeting should be called, held and conducted within the time or in the manner it directs for any other reason.

6.12 *Unitholder Proposals*

Subject to Sections 6.12.1 and 6.12.2, a Unitholder or beneficial owner of Units may (i) submit written notice to the Trust of any matter that the person proposes to raise at an annual meeting of Unitholders (a "Proposal") and (ii) discuss at the meeting any matter with respect to which the person would have been entitled to submit a Proposal.

6.12.1 To be eligible to submit a Proposal, a person:

- (a) must be, for at least the six-month period immediately before the day on which the person submits the Proposal, the registered holder or the beneficial owner of (i) not less than 1% of the combined total number of outstanding Units, as of the day on which the person submits a Proposal, or (ii) Units whose combined total fair market value, as determined at the close of business on the day before the person submits the Proposal, is at least \$2,000; or
- (b) must have the support of persons who, in the aggregate, and including or not including the person that submits the Proposal, have been, for at least the six-month period immediately before the day on which the person submits the Proposal, the registered holders or beneficial owners of (i) not less than 1% of the combined total number of outstanding Units, as of the day on which the person submits the Proposal, or (ii) Units or whose combined total fair market value, as determined at the close of business on the day before the person submits the Proposal, is at least \$2,000.

6.12.2 A Proposal must be accompanied by the following information:

- (a) the name and address of the person submitting the Proposal and any persons supporting the Proposal, if applicable; and
- (b) the number of Units held or owned by the person submitting the Proposal and any persons supporting the Proposal, if applicable, and the date the Units were acquired.

6.12.3 If requested by the Trust within 14 days of receipt of the Proposal, a person who submits a Proposal must provide proof, within 21 days following the day on which the person receives the Trust's request, or if the request was mailed to the person, within 21 days after the postmark date stamped on the envelope containing the request, that the person meets the requirements set out in subsection 6.12.1.

6.12.4 The Trust shall set out the Proposal in its proxy circular delivered in connection with its annual meeting or attached the Proposal thereto.

6.12.5 If so requested by the person who submits a Proposal, the Trust shall include in the management proxy circular or attach to it a statement in support of the Proposal by the person and the name and address of the person. The statement and the Proposal must together not exceed 500 words, not including the information required by subsection 6.12.2.

6.12.6 A Proposal may not include nominations for the election of Trustees and a Unitholder shall not have the right to make nominations at the meeting, unless such nomination is made in accordance with the provisions of section 6.9.

6.12.7 The Trust is not required to comply with subsections 6.12.4 and 6.12.5 if:

- (a) the Proposal is submitted less than 90 days before the anniversary date of the notice of meeting that was sent to Unitholders in connection with the Trust's previous annual meeting of Unitholders;
- (b) it clearly appears that the primary purpose of the Proposal is to enforce a personal claim or redress a personal grievance against the Trust, the Trustees, its officers or security holders;
- (c) it clearly appears that the Proposal does not relate in a significant way to the business or affairs of the Trust;
- (d) not more than two years preceding the receipt of such Proposal, the proposing person failed to present, in person or by proxy, at a meeting of Unitholders, a Proposal that, at the person's request, had been included in a proxy circular relating to a meeting of the Unitholders;
- (e) substantially the same proposal was submitted to Unitholders in a management proxy circular or a dissident's proxy circular relating to a meeting of Unitholders held within five years preceding the receipt of the proposal and did not receive the support of at least:
 - (i) 3% of the total number of Units voted, if the Proposal has been introduced at only one annual meeting of Unitholders;
 - (ii) 6% of the total number of Units voted at the last meeting at which the matter was submitted to Unitholders, if the Proposal was introduced at two annual meetings of Unitholders; and
 - (iii) 10% of the total number of Units voted at the last meeting at which the matter was submitted to Unitholders, if the Proposal was introduced at three or more annual meetings of Unitholders; or

6.12.8 If a person who submits a Proposal fails to continue to hold or own the number of Units referred to in subsection 6.12.1 up to and including the day of the meeting, the Trust is not required to set out in the management proxy circular, or attach to it, any Proposal submitted by that person for any meeting held within the prescribed period following the date of the meeting.

6.12.9 Neither the Trust nor any person acting on its behalf will incur any liability to Unitholders or any other person by reason only of circulating a Proposal or statement in compliance with this section.

6.12.10 If the Trust refuses to include a Proposal in its proxy circular, it shall, within 21 days of the later of receipt of the Proposal or proof of ownership under subsection 6.12.3, as the case may be, notify in writing the person submitting the Proposal of its intention to omit the Proposal from the Trust's proxy circular and of the reasons for the refusal.

6.12.11 On the application of a person submitting a Proposal who claims to be aggrieved by the Trust's refusal under subsection 6.12.10 a court may restrain the holding of the meeting to which the Proposal is sought to be presented and make any further order it thinks fit.

6.12.12 The Trust or any person claiming to be aggrieved by a Proposal may apply to a court for an order permitting the Trust to omit the Proposal from the proxy circular, and the court, if it is satisfied that subsection 6.12.11 applies, may make such order as it thinks fit.

6.13 *Resolution in Lieu of Meeting*

Subject to Section 2.5, a resolution signed in writing by all Trust Unitholders entitled to vote on that resolution at a meeting of Trust Unitholders is as valid as if it had been passed at a meeting of Trust Unitholders.

- (b) fill a vacancy among the Trustees or in the office of auditor, or appoint additional Trustees;
- (c) issue Units or Preferred Units except as authorized by the Trustees;
- (d) declare distributions;
- (e) purchase, redeem or otherwise acquire Units or Preferred Units issued by the Trust except as authorized by the Trustees;

- (f) pay a commission to any person in consideration of the person's agreeing to purchase securities of the Trust or procuring or agreeing to procure purchasers for such securities, except as authorized by the Trustees;
- (g) approve a proxy circular;
- (h) approve a take-over bid circular or directors' circular;
- (i) approve the annual financial statements of the Trust; or
- (j) amend this Declaration of Trust.

ARTICLE IX DISTRIBUTIONS

9.1 *Distributions*

9.1.1 Preferred Unitholders.

- (a) For so long as the Preferred Units of any series are outstanding there shall, subject to the provisions of paragraph 9.1.1(c), be paid on such series of Preferred Units distributions (which shall be cumulative distributions if the Certificate of Preferred Unit Terms for such particular series of Preferred Units so provides) in respect of each Preferred Distribution Period equal to the Preferred Distribution in priority to: (i) any amounts being paid to the Unitholders; and (ii) if there is more than one series of Preferred Units issued and if the Certificate of Preferred Unit Terms in respect of any such series specifies that it ranks in priority to any one or more other series of Preferred Units, in priority to the holders of all series of Preferred Units ranking junior to such series of Preferred Units. The Preferred Distribution in respect of any particular series of Preferred Units for any Preferred Distribution Period will be payable on or about the Preferred Distribution Date, to the Preferred Unitholders of such series at the close of business on the last day of such Preferred Distribution Period, provided that if there are insufficient Available Funds to pay such Preferred Distribution the provisions of paragraph 9.1.1(c) shall apply.
- (b) The Preferred Unit Rate of Return in respect of any series of Preferred Units shall be the rate or amount per annum (such rate the "Preferred Unit Rate of Return") which may be fixed or floating and which may change on such dates, or at such times, or upon the occurrence of such events or satisfaction of such conditions, all as the Trustees may determine and set out in the Certificate of Preferred Unit Terms for the reservation and issuances of such series of Preferred Units. For greater certainty, the terms of a series of Preferred Units may provide that the Preferred Unit Rate of Return for such series may change or vary on future date(s) in the event that any Preferred Units of such series remain outstanding on such future date(s).
- (c) If at any time the amounts determined by the Trustees to be available for distribution to the Preferred Unitholders at such time (such amounts, at any particular time, the "Available Funds") are insufficient to pay all Preferred Distributions in respect of any particular Preferred Distribution Period, the amount to be paid on any particular series of Preferred Units shall, unless the Certificate of Preferred Unit Terms for any such series of Preferred Units specifies that the series is to rank in priority or junior to any one or more other series of Preferred Units, in which case the Available Funds shall be distributed in the manner set out in such Certificate of Preferred Units Terms, be equal to the Available Funds multiplied by a fraction, the numerator of which shall be the Preferred Distribution to which such series of Preferred Units are entitled in respect of such Preferred Distribution Period and the denominator of which shall be the aggregate of the Preferred

Distributions to which all Preferred Units are entitled in respect of such Preferred Distribution Period. If the Trustees shall not have paid a Preferred Distribution on any series of Preferred Units in full for any Preferred Distribution Period, then if and only if the Certificate of Preferred Unit Terms specifies that the particular series of Preferred Units are entitled to cumulative distributions, the unpaid portion of such Preferred Distribution for such Preferred Distribution Period (such amount, in respect of any particular series of Preferred Units, the "Accumulated Distribution") shall be cumulative and shall be payable on such future Preferred Distribution Date or Dates as the Trustees may determine that all or any portion of such Accumulated Distributions shall be paid, to the Preferred Unitholders at the close of business on the last day of the Preferred Distribution Period to which such Preferred Distribution Date relates, in priority to any future Preferred Distributions on Preferred Units or the payment of distributions on the Units other than distributions on the Units payable by way of the issuance of additional Units. If there is an Accumulated Distribution in respect of any series of Preferred Units at the time amounts are otherwise payable to Trust Unitholders pursuant to this Article IX, such Accumulated Distribution(s) shall be payable in priority to such distributions, other than distributions on the Units payable by way of the issuance of additional Units, and if the Available Funds at such time are not sufficient to pay the aggregate of all such Accumulated Distributions the amount to be paid on each series of Preferred Units shall, unless the Certificate of Preferred Unit Terms for any such series of Preferred Units specifies that the series is to rank in priority or junior to any one or more other series of Preferred Units, in which case the Available Funds shall be distributed in the manner set out in such Certificate of Preferred Units Terms, be equal to the Available Funds multiplied by a fraction, the numerator of which shall be the Accumulated Distribution to which such series of Preferred Units are entitled at such time and the denominator of which shall be aggregate of the Accumulated Distributions to which all Preferred Units are entitled at such time.

- (d) In all cases the Accumulated Distribution and/or Preferred Distribution payable on a series of Preferred Units shall be divided rateably amongst the holders of the Preferred Units of such series that are issued and outstanding at the close of business on the last day of the Preferred Distribution Period in respect of which such Accumulated or Preferred Distribution is being made, and a holder of fractional Preferred Units is entitled to receive an Accumulated Distribution and/or Preferred Distribution in respect of the fractional Preferred Units in accordance with the rights attaching to the series of Preferred Units. The holders of the Preferred Units of any series shall not be entitled to any distributions other than, or in excess of, the distributions provided for in this paragraph 9.1.1.

9.1.2 Unitholders.

- (a) Provided that all Accumulated Distributions and Preferred Distributions shall first have been paid to the Preferred Unitholders, the Trustees may distribute to Unitholders at such time or times in the year as they shall determine, such amounts of the income (including Net Realized Capital Gains) as the Trustees determine in their discretion.
- (b) In addition to other distributions which the Trust may make to Unitholders pursuant to this Article IX, but subject to the rights of the Preferred Unitholders to receive priority distributions, the Trustees may declare to be payable and/or make distributions out of the income, the Net Realized Capital Gains and/or the capital of the Trust or otherwise in such amount or amounts and on such dates as the Trustees may determine to persons who are Unitholders at the record date set for such distribution.
- (c) Unitholders at the close of business on the last day of a month (or other period selected by the Trustees) shall be entitled to receive their proportionate share of any distributions of income and/or Net Realized Capital Gains declared by the Trustees for such month (or

other period). The distribution for any month (or other period) will be paid on or about the Distribution Date.

- (d) Notwithstanding any other provision of this Declaration of Trust, the Trustees shall not be prohibited from making distributions to Unitholders pursuant to the provisions of paragraph 9.1.2 if the distributions are paid by way of the issuance of additional Units.
- (e) On the last day of each taxation year of the trust, an amount equal the net income of the Trust for a taxation year of the Trust, determined in accordance with the provisions of the Tax Act, except to the extent of Net Realized Capital Gains in respect of which tax payable by the Trust would be refunded as a "capital gains refund" as defined in the Tax Act (and in applicable provincial tax legislation) for such taxation year, shall, to the extent not already paid or payable to Trust Unitholders during the taxation year, be automatically payable to Unitholders of record at the close of business on such day (whether or not such day is a business day), unless the Trustees pass a resolution to the contrary.

9.2 *Payment of Distributions*

- (a) Subject to the provisions of paragraph 9.2(b), distributions shall be made by cheque payable to or to the order of the Trust Unitholder or by electronic funds transfer or by such other manner of payment approved by the Trustees from time to time. The payment, if made by cheque, shall be conclusively deemed to have been made upon hand-delivery of a cheque to the Trust Unitholder, or to his agent duly authorized in writing, or upon the mailing of the cheque by prepaid first class mail addressed to the Trust Unitholder at his address as it appears on the Register, unless the cheque is not paid on presentation. The Trustees may issue a replacement cheque if they are satisfied that the original cheque has not been received or has been lost or destroyed upon being furnished with evidence of such loss, indemnity or other document in connection therewith that they may in their discretion consider necessary. A Trust Unitholder shall be entitled to enforce payment of any amount declared payable to the Trust Unitholder at the time such amount is declared payable.
- (b) The Trustees shall deduct or withhold from distributions payable to Trust Unitholders all amounts required by law to be withheld from such distributions and the Trust shall remit such taxes to the appropriate governmental authority within the times prescribed by law. Trust Unitholders who are Non-Residents will be required to pay all withholding taxes payable in respect of any distributions of income by the Trust.
- (c) If the Trustees determine that the amount of cash available for the payment of distributions to Unitholders is not sufficient to make payment of the full amount of any distribution or that it is otherwise in the best interest of the Trust, the payment may include or consist entirely of the issuance of additional Units having a value equal to the difference between the amount of such distribution and the amount of cash which has been determined by the Trustees to be available for the payment of such distribution. Immediately after a pro rata distribution of such Units to all Unitholders in satisfaction of any non-cash distribution, the number of outstanding Units will be consolidated so that, subject to the application of the terms of the paragraph below, each Unitholder will hold after the consolidation the same number of Units as the Unitholder held before the non-cash distribution. Each certificate representing a number of Units prior to the non-cash distribution is deemed to represent the same number of Units after the non-cash distributions and the consolidation.
- (d) Notwithstanding the foregoing, where tax is required to be withheld from a Unitholder's share of the distribution and such amount is not paid by the Unitholder to the Trust, the consolidation will result in such Unitholder holding that number of Units equal to (i) the number of Units held by such Unitholder prior to the distribution plus the number of Units received by such Unitholder in connection with the distribution (net of the number of whole

and part Units withheld on account of withholding taxes) multiplied by; (ii) the fraction obtained by dividing the aggregate number of Units outstanding prior to the distribution by the aggregate number of Units that would be outstanding following the distribution and before the consolidation if no withholding were required in respect of any part of the distribution payable to any Unitholder. Such Unitholder will be required to surrender the certificates, if any, representing such Unitholder's original Units, in exchange for a certificate representing such Unitholders' post-consolidation Units

9.3 *Distribution Reinvestment Plan and Securities Based Compensation Plan*

The Trustees may, subject to receipt of all regulatory approvals, in their sole discretion establish a distribution reinvestment plan and/or a securities based compensation plan on such terms and with such features as the Trustees may determine.

9.4 *Income Tax Matters*

Each year the Trust shall deduct in the calculation of its income such amounts as are paid or payable to Trust Unitholders for the year, as permitted by the Tax Act, to minimize its liability for income tax under Part I of the Tax Act for such year.

In computing the net income of the Trust for income tax purposes for any year, except as the Trustees otherwise determine, the Trust shall claim the maximum amount of capital cost allowance and other discretionary deductions available to the Trust under the Tax Act.

9.5 *Allocations of Net Income for Tax Purposes*

Except as otherwise provided in the terms of a particular series of Preferred Units as fixed by the Trustees in accordance with subsection 5.3 above, (i) the net income of the Trust for a taxation year of the Trust, determined in accordance with the provisions of the Tax Act other than paragraph 82(1)(b) and subsection 104(6), and (ii) the Net Realized Capital Gains payable to Trust Unitholders, shall be allocated to the Trust Unitholders for the purposes of the Tax Act in the same proportion as the total distributions made or declared payable to Trust Unitholders in such taxation year in accordance with this Article IX. The Trustees shall in each year make such other designations for tax purposes in respect of income and other distributions that the Trustees consider to be reasonable in all of the circumstances.

ARTICLE X FEES AND EXPENSES

10.1 *Expenses*

The Trust may pay reasonable expenses incurred in connection with the administration and management of the Trust, including, without limitation, fees of the Administrator, if any, auditors, lawyers, appraisers and other professional advisors and the cost of reporting or giving notices to Trust Unitholders. Such expenses shall be charged to the appropriate account of the Trust.

10.2 *Payment of Real Property and Brokerage Commissions*

The Trust may pay Real Property and brokerage commissions at commercial rates in respect of the acquisition and disposition of any investment acquired or disposed of by it. Such commissions shall be charged to the capital account of the Trust. Notwithstanding the above, the Trust will not pay Real Property or brokerage commissions to the Administrator, if any, or its affiliates or associates.

10.3 *Property Management and Other Fees*

The Trust may pay property management fees and other fees at commercially reasonable rates (as determined by the Trustees) in respect of any Real Property owned or leasehold interest held by it. Such fees shall be derived from any property in respect of which property management services are provided, and may be paid to the Administrator, if any, or its affiliates.

ARTICLE XI AMENDMENT TO THE DECLARATION OF TRUST

11.1 *Amendments by the Trustees*

The Trustees may, without the approval of the Trust Unitholders, make certain amendments to the Declaration of Trust, as follows:

- (a) amendments aimed at ensuring continued compliance with applicable laws, regulations, requirements or policies of any governmental authority having jurisdiction over (i) the Trustees or over the Trust, (ii) the status of the Trust as a “mutual fund trust” and, if the Trustees shall determine in their sole discretion, a “registered investment” under the Tax Act or (iii) the distribution of Trust Units;
- (b) amendments which, in the opinion of the Trustees, provide additional protection for the Trust Unitholders (or any class or series of Trust Units);
- (c) amendments to remove any conflicts or inconsistencies herein or to make minor corrections which are, in the opinion of the Trustees, necessary or desirable and not prejudicial to the Trust Unitholders;
- (d) amendments which, in the opinion of the Trustees, are necessary or desirable as a result of changes in taxation laws;
- (e) amendments which, in the opinion of the Trustees, are necessary or desirable to permit distributions to Unitholders to be paid in Units in lieu of cash; and
- (f) amendments for any purpose (except ones in respect of which approval by holders of Trust Units or any class or series of Trust Units is specifically otherwise required) if the Trustees are of the opinion that the amendment is not prejudicial to Trust Unitholders and is necessary or desirable.

11.2 *Amendments by Trust Unitholders*

Subject to Sections 11.1, 11.3, 11.4 and 11.5, this Declaration of Trust may be amended by the vote of a majority of the votes cast at a meeting of holders of Trust Units entitled to vote thereon called for that purpose.

11.3 *Two-Thirds Vote of Unitholders*

The following amendments to this Declaration of Trust require the approval by the vote of two-thirds of the votes cast at a meeting of holders of Units called for that purpose:

- (a) an exchange, reclassification or cancellation of all or part of the Units;
- (b) the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Units and, including, without limiting the generality of the foregoing,

- (i) the removal or change of rights to distributions (but not a change to the specific amount of a distribution);
- (ii) the addition or removal of or change to conversion privileges, options, voting, transfer or pre-emptive rights; or
- (iii) the reduction or removal of a distribution preference or liquidation preference;
- (c) the creation of new rights or privileges attaching to certain of the Units; and
- (d) the constraint of the issue, transfer or ownership of the Units or the change or removal of such constraint.

For greater certainty only the Unitholders shall be entitled to vote on such matters.

11.4 *Two-Thirds Vote of Preferred Unitholders*

The following amendments to this Declaration of Trust require the approval by the vote of two-thirds of the votes cast at a meeting of holders of Preferred Units, or the Preferred Units of a particular series of Preferred Units, as the case may be, called for that purpose:

- (a) an exchange, reclassification or cancellation of all or part of the Preferred Units or the Preferred Units of the particular series of Preferred Units, as the case may be;
- (b) the addition, change or removal of the rights, privileges, restrictions or conditions attached to the Preferred Units or to the particular series of Preferred Units, as the case may be, and, including, without limiting the generality of the foregoing,
 - (i) the addition or removal of or change to voting, transfer or pre-emptive rights; or
 - (ii) the reduction or removal of a distribution preference or liquidation preference;
- (c) the constraint of the issue, transfer or ownership of the Preferred Units or the Preferred Units of the particular series of Preferred Units.

For greater certainty only the Preferred Unitholders shall be entitled to vote on such matters.

11.5 *Two-Thirds Vote of Trust Unitholders*

The amendment of the investment guidelines set out under “Assets of the Trust – Permitted Investments” and the operational policies contained in paragraphs 3.3.2, 3.3.4, 3.3.5, 3.3.6, 3.3.7 and 3.3.8 to this Declaration of Trust requires the approval by the vote of two-thirds of the votes cast at a meeting of holders of Trust Units entitled to vote thereon called for that purpose.

11.6 *Ratifying Amendments to Declaration of Trust*

- (a) Subject to paragraph 11.6(d), the Trustees shall submit to the Trust Unitholders at the next meeting of Trust Unitholders entitled to vote thereon any amendment to the Declaration of Trust that has not been approved by the Unitholders, and the Unitholders may, by a majority vote of Trust Unitholders entitled to vote thereon at such meeting, confirm, reject or amend the amendment to the Declaration of Trust.
- (b) An amendment to this Declaration of Trust which the Trustees are expressly empowered to make pursuant to the terms hereof is effective from the date of the resolution of the Trustees approving the amendment until it is confirmed, confirmed as amended or rejected

by the Unitholders under paragraph 11.6(a) or until it ceases to be effective under paragraph 11.6(c) and, where the amendment is confirmed or confirmed as amended, it continues in effect in the form in which it was so confirmed.

- (c) If an amendment to this Declaration of Trust is rejected by the Unitholders, or if the Trustees do not submit an amendment to the Unitholders as required under paragraph 11.6(a), the amendment ceases to be effective and no subsequent resolution of the Trustees to amend the Declaration of Trust having substantially the same purpose or effect is effective until it is confirmed or confirmed as amended by the Unitholders.
- (d) The Trustees may make the following amendments to this Declaration of Trust without the approval or ratification of the Unitholders: (i) amendments aimed at ensuring continued compliance with applicable laws, regulations, requirements or policies of any governmental authority having jurisdiction over the Trustees or the Trust (including the status of the Trust as a “mutual fund trust” and, if the Trustees shall determine in their sole discretion, a “registered investment” under the Tax Act); (ii) amendments to remove any conflicts or inconsistencies herein or to make minor corrections which are, in the opinion of the Trustees, necessary or desirable and not prejudicial to the Trust Unitholders; (iii) amendments which, in the opinion of the Trustees, are necessary or desirable as a result of changes in taxation laws; and (iv) amendments which, in the opinion of the Trustees, are necessary or desirable to permit distributions to Unitholders to be paid in Units in lieu of cash. The Trustees, the Trust and the Unitholders agree that any Unitholder may apply to a Court for an order setting aside any such amendment on the grounds that it does not fall within clauses (i) to (vi) above.

ARTICLE XII TERMINATION OF THE TRUST AND SALE OF ASSETS

12.1 *Duration of the Trust*

Unless sooner terminated as provided herein, the Trust shall continue for an indefinite term.

12.2 *Termination by Trust Unitholders*

The Trust may be terminated by the affirmative vote of the holders of at least two-thirds of the Trust Units entitled to vote at a meeting of Trust Unitholders called for that purpose.

12.3 *Effect of Termination*

Upon the liquidation, dissolution, termination or winding-up of the Trust, whether voluntary or involuntary, or in the event of any other distribution of assets of the Trust among Trust Unitholders for the purpose of winding up its affairs, the liabilities of the Trust shall be discharged with due speed and the net assets of the Trust shall be distributed in the following order of priority:

- 12.3.1 Preferred Unitholder Distribution. There shall firstly be distributed to the Preferred Unitholders of each series of Preferred Units an amount equal to the aggregate of: (i) the aggregate Preferred Unit Subscription Prices of the then issued and outstanding Preferred Units of such series; (ii) all Accumulated Distributions remaining unpaid on such Preferred Units; and (iii) the Preferred Distribution for the Preferred Distribution Period in which such liquidation, dissolution, termination, winding-up or other distribution occurs pro-rated for the number of days in the Preferred Distribution Period prior to the date of such liquidation, dissolution, termination, winding-up or other distribution (such aggregate amount, in respect of each series of Preferred Units, the “Liquidation Entitlement”) before any amount shall be paid or any assets or property of the Trust shall be distributed to the Unitholders, provided however that, if the net assets of the Trust are insufficient to pay all such Liquidation Entitlements, then the amount to be paid on each series of Preferred Units shall, unless

the Certificate of Preferred Unit Terms for any such series of Preferred Units specifies that the series is to rank in priority or junior to any one or more other series of Preferred Units, in which case the funds available for distribution shall be distributed in the manner set out in such Certificate of Preferred Units Terms, be equal to the amount available for distribution multiplied by a fraction, the numerator of which shall be the Liquidation Entitlement of such series of Preferred Units and the denominator of which shall be aggregate of the Liquidation Entitlements of all Preferred Units. The Liquidation Entitlement payable on a series of Preferred Units shall be divided rateably amongst the holders of the Preferred Units of such series that are issued and outstanding on the record date for such distribution(s), and a holder of fractional Preferred Units is entitled to receive a Liquidation Entitlement in respect of the fractional Preferred Units in accordance with the rights attaching to the Preferred Unit Class. After payment to the Preferred Unitholders of the amounts so payable to them as above provided, such Preferred Unitholders shall not be entitled to share in any further distribution of the assets or property of the Trust.

12.3.2 Unitholder Distribution. Thereafter, the net assets of the Trust remaining after payment of the amounts set forth in paragraph 12.3.1 shall be distributed proportionately to the Unitholders.

Such distributions to Trust Unitholders may be made in cash or in kind or partly in both, all as the Trustees in their sole discretion may determine.

12.4 *Sale of All or Substantially All of the Assets of the Trust*

The sale or transfer of all or substantially all of the assets of the Trust (other than as part of an internal reorganization of assets approved by the Trustees which does not have a material adverse effect on Trust Unitholders) requires the affirmative vote of the holders of at least two-thirds of Trust Units entitled to vote at a meeting of holders of Trust Units called for that purpose.

ARTICLE XIII LIABILITIES OF THE TRUSTEES AND OTHERS

13.1 *Liability and Indemnification of the Trustees*

The Trustees shall at all times be indemnified and saved harmless out of the funds of the Trust from and against all claims whatsoever, including costs, charges and expenses in connection therewith, brought, commenced or prosecuted against them for or in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of their duties as Trustees and also from and against all other costs, charges and expenses which they sustain or incur in or about or in relation to the affairs of the Trust. Further, the Trustees shall not be liable to the Trust or to any Trust Unitholder or annuitant for any loss or damage relating to any matter regarding the Trust, including any loss or diminution in the value of the Trust or its assets. The foregoing provisions of this section 13.1 do not apply to the extent that in any circumstance there has been wilful negligence, wilful default or dishonesty on the part of the Trustees or to extent that the Trustees have failed to fulfil their obligations as provided by section 3.3.

13.2 *Liability of the Trustees*

The Trustees shall not be liable to the Trust or to any Trust Unitholder or annuitant for the acts, omissions, receipts, neglects or defaults of any person, firm or corporation employed or engaged by it as permitted hereunder, or for joining in any receipt or act of conformity, or for any loss, damage or expense caused to the Trust through the insufficiency or deficiency of any security in or upon which any of the moneys of or belonging to the Trust shall be laid out or invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person, firm or corporation with whom or which any moneys, securities or property of the Trust shall be lodged or deposited, or for any loss occasioned by error in judgement or oversight on the part of the Trustees, or for any other loss, damage or misfortune which may

happen in the execution by the Trustees of their duties hereunder, except to the extent set out in the last sentence of section 13.1.

13.3 *Reliance upon Advice*

The Trustees may rely and act upon any statement, report or opinion prepared by or any advice received from the auditors, solicitors or other professional advisors of the Trust and shall not be responsible or held liable for any loss or damage resulting from so relying or acting.

13.4 *Liability of Unitholders, Preferred Unitholders and Others*

No Trust Unitholder or annuitant shall be held to have any personal liability as such, and no resort shall be had to the private property of such Trust Unitholder for satisfaction of any obligation or claim arising out of or in connection with any contract or obligation of the Trust or of the Trustees or any obligations which a Trust Unitholder or annuitant would otherwise have to indemnify a Trustee for any personal liability incurred by the Trustee as such; rather, the assets of the Trust only are intended to be liable and subject to levy or execution for such satisfaction. The Trustees shall use reasonable efforts to have included, wherever practicable, in any written agreement, undertaking or other instrument creating an obligation of the Trust, a provision to the effect that such obligation shall not be binding upon Trust Unitholders or annuitants personally. Further, the Trustees shall cause the Trust to carry insurance for the benefit of the Trust Unitholders and annuitants in such amounts as they consider adequate to cover any foreseeable non-contractual or non-excluded contractual liability to the extent such insurance is available at reasonable premiums to the Trust. Any potential liability of the Trustees with respect to their foregoing obligations or their failure perform the same shall be governed by the provisions of section 13.1, 13.2 and 13.3.

ARTICLE XIV UNITHOLDER REMEDIES

14.1 *Dissent and Appraisal Rights*

14.1.1 Subject to Section 14.1.5, a Trust Unitholder entitled to vote at a meeting of Trust Unitholders who complies with this Section 14.1 may dissent:

- 14.1.1.1 if the Trust resolves to sell, lease, transfer or exchange all or substantially all the property and assets of the Trust;
- 14.1.1.2 if the Trust resolves to carry out a going-private transaction; or
- 14.1.1.3 if the Trust resolves to amend this Declaration of Trust, except as permitted by Section 11.1, to (A) add, change or remove any provision constraining the issue, transfer or ownership of the Trust Units held by the dissenting Trust Unitholder; (B) add, change or remove the rights, privileges, restrictions or conditions attached to the Trust Units of the class held by the dissenting Unitholder; (C) increase the rights or privileges of any class of units having rights or privileges equal or superior to the class of Trust Units held by the dissenting Trust Unitholder; (D) create a new class of units equal to or superior to the class of Trust Units held by the dissenting Trust Unitholder; (E) make any class of units having rights or privileges inferior to the class of Trust Units held by the dissenting Trust Unitholder superior to that class; or (F) effect an exchange, reclassification or cancellation in all or part of a class of Trust Units held by the dissenting Trust Unitholder and, in each case, a vote of Trust Unitholders is required pursuant to Section 11.3 or Section 11.4, as the case may be; excluding, for greater certainty, the creation or issuance of any series of Preferred Units or the conversion or reclassification of one series of Preferred Units into another series.

- 14.1.2 In addition to any other right the Unitholder may have, a Unitholder who complies with this section is entitled, when the action approved by the resolution from which the Unitholder dissents becomes effective, to be paid by the Trust the fair value of the Units held by the Unitholder in respect of which the Unitholder dissents, determined as of the close of business on the day before the resolution was adopted.
- 14.1.3 A dissenting Unitholder may only claim under this section with respect to all the Units held by the dissenting Unitholder on behalf of any one beneficial owner and registered in the name of the dissenting Unitholder.
- 14.1.4 A dissenting Unitholder shall send to the Trust, at or before any meeting of Unitholders at which a resolution referred to in Section 14.1.1 is to be voted on, a written objection to the resolution, unless the Trust did not give notice to the Unitholder of the purpose of the meeting and of the Unitholder's right to dissent.
- 14.1.5 The Trust shall, within 10 days after the Unitholders adopt the resolution, send to each Unitholder who has filed the objection referred to in Section 14.1.4 notice that the resolution has been adopted, but such notice is not required to be sent to any Unitholder who voted for the resolution or who has withdrawn its objection.
- 14.1.6 A dissenting Unitholder shall, within 20 days after receiving a notice under Section 14.1.5 or, if the Unitholder does not receive such notice, within 20 days after learning that the resolution has been adopted, send to the Trust a written notice containing: (i) the Unitholder's name and address; (ii) the number of, and class of, Units in respect of which the Unitholder dissents; and (iii) a demand for payment of the fair value of such Units.
- 14.1.7 A dissenting Unitholder shall, within 30 days after the sending of a notice under Section 14.1.6, send the certificates representing the Units in respect of which the Unitholder dissents to the Trust or its transfer agent.
- 14.1.8 A dissenting Unitholder who fails to comply with Section 14.1.7 has no right to make a claim under this section.
- 14.1.9 The Trust or its transfer agent shall endorse on any certificate received under Section 14.1.7 a notice that the holder is a dissenting Unitholder under this Section 14.1 and shall return forthwith the certificates to the dissenting Unitholder.
- 14.1.10 On sending a notice under Section 14.1.6, a dissenting Unitholder ceases to have any rights as a Unitholder other than the right to be paid the fair value of its Units as determined under this section except where: (i) the Unitholder withdraws that notice before the Trust makes an offer under Section 14.1.11; (ii) the Trust fails to make an offer in accordance with Section 14.1.11 and the dissenting Unitholder withdraws the notice; or (iii) the Trustees revoke the resolution which gave rise to the dissent rights under this section, and to the extent applicable, terminate the related agreements or abandon a sale, lease, transfer or exchange to which the resolution relates, in which case the Unitholder's rights are reinstated as of the date the notice under Section 14.1.6 was sent.
- 14.1.11 The Trust shall, not later than 7 days after the later of the day on which the action approved by the resolution is effective or the day the Trust received the notice referred to in Section 14.1.6, send to each dissenting Unitholder who has sent such notice a written offer to pay for the dissenting Unitholder's Units in an amount considered by the Trustees to be the fair value, accompanied by a statement showing how the fair value was determined.
- 14.1.12 Every offer made under Section 14.1.11 for Units of the same class shall be on the same terms.

- 14.1.13 The Trust shall pay for the Units of a dissenting Unitholder within 10 days after an offer made under Section 14.1.11 has been accepted, but any such offer lapses if the Trust does not receive an acceptance thereof within 30 days after the offer has been made.
- 14.1.14 Where the Trust fails to make an offer under Section 14.1.11, or if a dissenting Unitholder fails to accept an offer, the Trust may, within 50 days after the action approved by the resolution is effective or within such further period as a court may allow, apply to a court to fix a fair value for the Units of any dissenting Unitholder.
- 14.1.15 If the Trust fails to apply to a court under Section 14.1.14, a dissenting Unitholder may apply to a court for the same purpose within a further period of 20 days or within such further period as a court may allow.
- 14.1.16 The court where an application under Section 14.1.14 or 14.1.15 may be made is a court having jurisdiction in the place where the Trust has its registered office.
- 14.1.17 A dissenting Unitholder is not required to give security for costs in an application made under Section 14.1.14 or 14.1.5.
- 14.1.18 On an application under Section 14.1.14 or 14.1.15: (i) all dissenting Unitholders whose Units have not been purchased by the Trust shall be joined as parties and bound by the decision of the court; and (ii) the Trust shall notify each affected dissenting Unitholder of the date, place and consequences of the application and of the dissenting Unitholder's right to appear and be heard in person or by counsel.
- 14.1.19 On an application to a court under Section 14.1.14 and 14.1.5, the court may determine whether any other person is a dissenting Unitholder who should be joined as a party, and the court shall fix a fair value for the Units of all dissenting Unitholders.
- 14.1.20 A court may in its discretion appoint one or more appraisers to assist the court to fix a fair value for the Units of the dissenting Unitholders.
- 14.1.21 The final order of a court in the proceedings commenced by an application under Section 14.1.4 and 14.1.15 shall be rendered against the Trust in favour of each dissenting Unitholder and for the amount of the Units as fixed by the court.
- 14.1.22 A court may in its discretion allow a reasonable rate of interest on the amount payable to each dissenting Unitholder from the date the action approved by the resolution is effective until the date of payment.
- 14.1.23 If Section 14.1.25 applies, the Trust shall, within ten days after the pronouncement of an order under Section 14.1.21, notify each dissenting Unitholder that it is unable lawfully to pay dissenting Unitholders for their Units.
- 14.1.24 If Section 14.1.25 applies, a dissenting Unitholder, by written notice delivered to the Trust within thirty days after receiving a notice under Section 14.1.23, may withdraw their notice of dissent, in which case the Trust is deemed to consent to the withdrawal and the Unitholder is reinstated to their full rights as a Unitholder; or (ii) retain a status as a claimant against the Trust, to be paid as soon as the Trust is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the Trust but in priority to its Unitholders.
- 14.1.25 The Trust shall not make a payment to a dissenting Unitholder under this section if there are reasonable grounds for believing that (i) the Trust is or would after the payment be unable to pay its liabilities as they become due; or (ii) the realizable value of the Trust's assets would thereby be less than the aggregate of its liabilities.

14.1.26 The provisions of Section 9.2 shall apply mutatis mutandis to any payment to a Unitholder under this Section 14.1.

14.1.27 In the event that the Trust is required to dispose of property in order to fund a payment to a Unitholder under this Section 14.1, the Trustees in their sole discretion shall be entitled to treat all or any portion of (i) any capital gain realized by the Trust as a consequence of such disposition and (ii) the amount of accrued income in respect of such property (other than capital gains described in (i)) as an amount to be allocated to such Unitholder in the year of payment out of the net income of the Trust.

14.2 *Oppression Remedy*

14.2.1 Any registered holder or beneficial owner of Units or former registered holder or beneficial owner of Units or any securityholder, Trustee or officer or any other person who in the discretion of the court is a proper person to make an application (each, a "Complainant") may apply to a court under the provisions of this Section 14.2.

14.2.2 If, on application, the court is satisfied that, in respect of the Trust:

14.2.2.1 any act or omission of the Trust effects a result;

14.2.2.2 the business or affairs of the Trust or any Subsidiary are or have been carried on or conducted in a manner; or

14.2.2.3 the powers of the Trustees are or have been exercised in a manner,

that is oppressive or unfairly prejudicial to or that unfairly disregards the interests of any Unitholder, securityholder, creditor, Trustee or officer, the court may make an order to rectify the matters complained of by the Complainant.

In connection with an application by a Complainant under Section 14.2.1 and without limiting Section 14.2.2, a court may make any interim or final order it thinks fit including, without limiting the generality of the foregoing, (i) an order restraining the conduct complained of; (ii) an order appointing a receiver or receiver-manager; (iii) an order to regulate the Trust's affairs or those of a Subsidiary by amending this Declaration of Trust or the articles or by-laws of a Subsidiary; (iv) an order directing an issue or exchange of securities; (v) an order appointing Trustees or directors of a Subsidiary in place of or in addition to all or any of the Trustees or directors then in office; (vi) an order directing the Trust or any other person to purchase securities of a holder of securities; (vii) an order directing the Trust or any other person to pay a securityholder any part of the monies that the securityholder paid for securities; (viii) an order varying or setting aside a transaction or contract to which the Trust or a Subsidiary is a party and compensating the Trust or a Subsidiary or any other party to the transaction or contract; (ix) an order requiring the Trust or a Subsidiary, within a time specified by the court, to produce to the court or an interested person financial statements or an accounting in such form as the court may determine; (x) an order compensating an aggrieved person; (xi) an order directing rectification of the registers or other records of the Trust or a Subsidiary; (xii) an order directing an investigation to be made; and (xiii) an order requiring the trial of any issue; *provided*, that the court shall not make any order under this Section 14.2 that would, if such order were an action of the Trust, not be permitted under Section 4.1.2.

14.2.3 If an order made under this section directs an amendment of this Declaration of Trust or to the constating documents of a Subsidiary, then: (i) the Trustees shall request the Trust, such Subsidiary and all directors, Trustees, officers and other persons responsible for management to take all steps necessary to carry out that direction; and (ii) no other amendment to this Declaration of Trust or such constating documents shall be made without the consent of the court, until a court otherwise orders.

14.2.4 A Unitholder is not entitled to dissent under this Declaration of Trust or other applicable law if an amendment to the Declaration of Trust or such constating documents is effected under this section.

14.2.5 A Complainant may apply in the alternative for an order to wind up the Trust or liquidate and dissolve a Subsidiary and a court may so order if the court is satisfied that it is just and equitable that such winding up, liquidation or dissolution occur.

15.2 *Failure to Give Notice*

The failure by the Trustees, by accident or omission or otherwise unintentionally, to give any holder of Trust Units any notice provided for herein is required to be given shall not affect the validity, effect, taking effect or time of taking effect of any action referred to in such notice and the Trustees shall not be liable to any Trust Unitholder for any such failure.

15.3 *Trust Auditors*

The auditors of the Trust shall be an independent recognized firm of chartered professional accountants which has an office in Canada. The auditors will be appointed at each annual meeting by a majority vote of Trust Unitholders entitled to vote thereon to hold office until the conclusion of the next annual meeting of Trust Unitholders or their earlier resignation or removal by the Trustees with the approval of a majority of the votes cast by Trust Unitholders entitled to vote thereon, at a meeting of Trust Unitholders duly called for the purpose.

If at any time a vacancy occurs in the position of auditors of the Trust, the Trustees may appoint a firm of chartered professional accountants qualified to practise in all provinces of Canada in which Trust Units of the Trust are distributed to act as the auditors of the Trust until the next annual meeting of Trust Unitholders.

The auditors shall report to the Trustees and the Trust Unitholders on the annual financial statements of the Trust and to fulfil such other responsibilities that they may properly be called upon by the Trustees to assume. The auditors shall have access to all records relating to affairs of the Trust. The remuneration of the auditors may be fixed by a majority of the votes cast by Trust Unitholders entitled to vote thereon or, if not fixed by the Trust Unitholders, may be fixed by the Trustees.

15.4 *Fiscal Year*

The fiscal year of the Trust shall terminate on December 31 of each year.

15.5 *Report to Trust Unitholders and Statement of Units Held*

Within such number of days specified by applicable securities laws, prior to each annual meeting of Trust Unitholders, the Trustees shall send to each holder of Trust Units then entitled to vote a report, including audited comparative financial statements for such year. Within such number of days from the end of a fiscal quarter specified by applicable securities laws, the Trustees shall send unaudited comparative financial statements for such quarter to each Trust Unitholder. The Trustees will annually provide the Trust

Unitholders with such information and documentation as is required pursuant to applicable securities laws and the policies of any stock exchange upon which the Trust Units are listed. The Trustees may send such other more frequent reports regarding the Trust as they consider desirable.

15.6 *Trust Assets to be Kept Separate*

The Trustees shall maintain the assets of the Trust separate from all other property in their possession.

15.7 *Electronic Documents*

Any requirement under this Declaration of Trust, the *Securities Act* (Manitoba) or any other applicable law that a notice, statement, document or other information be created or provided is satisfied by the creation or provision of an electronic document to the extent permitted by law.
